

Architectural Glass Effects

Unique Glass for a Distinct Impression!

The Nation's Local Glass Shop

Custom-Cut-To-Size Glass – Most Shipped within 24 hours

Architectural Glass Effects (AGE) is setting the industry standard for prompt service of quality custom-cut glass.

Here is what we offer...

TEXTURED DECORATIVE GLASS - We currently have over 90 types of clear architectural glass for cabinet doors and more. We are always looking for new patterns. FREE UPDATES for Authorized Dealers.

ANTIQUe MIRROR COLLECTION - Old world style, made in America. We offer 13 styles available with goldveining options in 1/8" and 1/4" thickness. Classic designs to inspire your most discerning clientele. Matching outlet covers also available.

LEAD OVERLAY and TRUE LEADED GLASS - We have over 40 designs available or you can design your own! We can overlay lead on a single piece of or decorative glass or antique mirror – or- create a timeless masterpiece of true stained or leaded glass. We can also restore old windows.

WATERJET SERVICES - We can now custom cut difficult shapes and holes in a fraction of the time. Great for custom Backsplashes. We can even cut any material you provide.

SANDBLASTED DESIGNS - We can frost any of our decorative glass or create from your custom ideas.

V GROOVES and PLATE GROOVES - We offer a dozen simple designs to give clear glass classic lines. Also, plate grooves in shelves help with plate displays.

CUSTOM LAMINATING and THIN LAMINATES - Rice Paper, Leaf Paper and unique materials can be captured between glass. Thin enough for cabinet inserts. We can create Safety Glass with many textures as well as create many combinations. .

USB of GLASS PHOTOS - A convenient way to show our glass while away from your showroom!

AGE offers many different glass collections:

The Master Set contains over 100 types of clear and colored textured glass.

The Antique Mirror Collection is comprised of 12 different styles of antique mirror available in 1/8" and 1/4". as well as Gold Veining.

The Shelving Set is designed to show your clients the options available to them.

Architectural Glass Effects also provides the following services:

Tempered Glass
Frosting

Insulated Glass Units
Hole drilling

Waterjet Services
